Date of issue 7 March 2016
Reference 073 P K 00148300

Outstanding amount £507.44

You have not paid the full amount due as shown on the attached Statement of Liabilities. See the end of this letter for help with the statement.

If you agree the amount is due, then you need to pay in full now.

When paying us late electronically you need to give us the year and month your payment relates to so that we can correctly allocate it. To do this, use your 13-character reference shown above and add 4 additional characters for the year and month. For further help or to pay go to www.gov.uk/pay-pay-tax

If you do not agree the amount is due and have registered for the PAYE online service then you can use the HMRC Business Tax Dashboard to look at your payments in more detail. You can also see what your PAYE responsibilities are. For more information go to www.gov.uk/running-payroll/paying-hmrc

If you have not done any of the following please now:

- send in the year to date figures for all your employees
- make a claim for amounts such as statutory payments
- make any necessary changes to information you have already given us
- tell us if you haven't paid any employees for a tax period.

We know that RTI is new to employers and want to help you put right any issues to do with the amount shown above. If you need our help to work out what your payment should be please phone us on **0300 200 3852** as soon as you receive this letter. If you have an agent or representative you may wish to show them this letter.

Information is available in large print, audio tape and braille formats.
Type talk service prefix number - 18001.

The statement may show one or more of the following are due:

- Underpayments – this is where you have not paid enough based on your RTI submissions for PAYE
- Specified charges - these are amounts we have estimated to be due when we have not received the necessary RTI PAYE submissions. We base these on your previous filing and payment history. We do this under Regulation 75A Income Tax (Pay As You Earn) Regulations 2003
- Outstanding Construction Industry Scheme (CIS) payments or outstanding advance amounts
- Class 1A National Insurance Contributions
- Earlier Year Update (EYU) – this is where we have been told about changes to PAYE amounts paid in previous tax years
- Interest – this is where you have paid late a PAYE or CIS charge that was due for payment on 19 April 2014 or later.

We may have added interest to the amount that you owe. The outstanding amount due may also include interest which has accrued to date. When we receive payment in full we will show the interest charged on the PAYE dashboard. Go to www.gov.uk/running-payroll/paying-hmrc

Yours faithfully
