Dear Customer

Some changes to your savings account

We're making some changes to simplify our range of savings accounts and make it easier to understand. As a result, we'll soon be changing your existing savings account to an account called the Business Premium Account; a simple, flexible instant access savings account with no withdrawal restrictions. This change will take place on or just after **06 June 2016**.

The account that will be changing is:

Account name	Account holder	Account number	Sort Code
Business Saver	SENTINAL LIMITED	****1573	20-27-48

As you have a Business Saver, you won't see a change in the interest rate you earn as a result of the change. Your account number and sort code will stay the same, and any regular payment arrangements you have set up will still work as before.

We've enclosed a leaflet with details of the Business Premium Account – including how it compares with the account you have at the moment – and the new Terms and Conditions.

What happens next

You don't need to do anything. By giving you notice of these changes your account will change automatically on or just after **06 June 2016**, and the new Terms and Conditions will come into effect at the same time. But because this is a change to your Terms and Conditions, we need to let you know that you have the right to close your account without charge at any time. If you are thinking of doing this, please talk to us – we would be very sorry to see you go, and we may be able to suggest something more suitable from our range of savings products.

We're happy to help

If you have any questions about these changes or anything about your account, please get in touch with the Barclays Business Team on the number at the top of this letter or come into any branch. We'll be happy to help.

Yours sincerely

Your Barclays Business Team
