To all residents and businesses
in the Baron's Court area

16 April 2013

Dear Sir or Madam,

TRAFFIC MANAGEMENT FOR THE 2013 AEGON CHAMPIONSHIPS

The 2013 Aegon Championships will be held from Monday 10 June to Sunday 16 June, with the Qualifying Weekend held from Saturday 8 and Sunday 9 June. As in previous years, heavy vehicles involved in the construction and de-rig of the tournament site will be accessing The Queen's Club between Monday 29 April and Friday 5 July.

To ensure the safe passage of these large vehicles and minimum disruption to local residents, the following traffic management plans have been put in place:

- Various parking bay suspensions will be in place from Monday 29 April until Friday 5 July. These bay suspensions are indicated on the plan overleaf for your reference
- Part of the existing Controlled Parking Zone D (see plan overleaf) will have its operating hours extended from 9am to 7pm
- As in previous years, various large lorries will be escorted along Palliser Road against the one-way system from 5am to 6am between Wednesday 1 May and Saturday 29 June
- Palliser Road (from Comeragh to Barton Road) will temporarily be one-way northbound to all traffic from Saturday 8 to Sunday 16 June to ease vehicle flow.

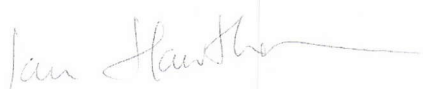

Each year we offer local residents complimentary evening passes to show our continued appreciation of the understanding regarding the above traffic/parking restrictions. This year there is an additional online priority purchase period. Enclosed with this letter is a leaflet which explains these offers in more detail, or you can find more information on the resident information webpage www.aegonchampionships.com/localresidents. You are also welcome to attend the Qualifying Weekend which is open to a maximum of 500 members of the public free of charge.

If you have any queries regarding the tournament please don't hesitate to contact the Aegon Championships team on 0208 487 7000 or email us at feedback@aegonchampionships.com. For queries relating to penalty charge notices or car removal, contact the Council Parking department directly on 0207 371 5678.

Yours sincerely,

Chris Kermode
