Important information

We hold and deal with your assets in accordance with the FCA's Custody Rules. We hold and deal with your money as banker, and not in accordance with the FCA's Client Money Rules. For more information on how we hold your assets and money, please refer to your Terms and Conditions.

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors - including most individuals and small businesses - are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for joint accounts held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the scheme (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website www.FSCS.org.uk or call 0207 741 4100 or 0800 678 1100.

How to read your Barclays Stockbrokers Statement and Valuation

The following notes are intended to help you understand your valuation and statement. If you have any questions, or you cannot reconcile the holdings to your records, please call us. Advisory clients should contact their Advisor.

Valuation

The valuation shows you a "snapshot" of your Account – the stock held and quantity will therefore be the actual amount you held as at close of business on the Account Valuation date (shown on the valuation). For ISAs, the "Total Account Value" in the "Account Summary" box is the figure we used to calculate the administration charge. We confirm that you are the beneficial owner of the share holding(s) under Barclays Nominees Limited, as at the close of business on the Valuation Date.

Index Linked	Please note that, where applicable, the value of any Index Linked securities appearing on your Barclays Stockbrokers valuation statement has been adjusted to reflect accrued interest and the retail pricing indexation (RPI) ratio.
Mid Market Price	The mid-price (that is halfway between the buying and selling price) of the shares as at the close of business on the day before the Valuation Date.
Mid Market Value	The number of shares multiplied by the "mid-market price". The total value of this column is shown at the bottom of the table.
Book Cost	The total price you have paid for your holding (including commission, stamp duty and PTM levy (if applicable)), including any additional amounts you paid to take up the shares in a rights issue etc. If you have lodged or transferred in stock, but not informed us of the original book cost, we will note a book cost of that stock at either £0 or £1. This will be reflected in the % figure shown under Profit/(Loss). If you want to change the Book Cost for lodged or transferred stock, please contact us.
Profit/(Loss)	How each individual holding is performing (in percentage terms) relative to the Book Cost. This will not take into account indexation or taper relief.
Gross Yield	The return earned on an investment before tax. We currently work it out by "grossing up" the net dividend of the share by 10%, and then expressing it as a percentage of the share price.
Total Account Value	A summary (in pounds sterling) of the value of your Account and the amount it has changed since the last valuation.
Cash held	The balance on your Account on the date the statement is issued.
Performance	A summary (in percentage terms) of the change in value of your stock and Total Account Value since your last valuation (we do not display these values on your first statement) and the changes in the FTSE 100 and the FTSE All Share for comparison. For Non-Managed products, please note that these are execution only or advisory products and Barclays is not responsible for the performance of holdings within your Account. For Managed ISA products, please see the notes on your statement of your recent account activity page.
