If your account is overdrawn, and you pay off only part of the amount you owe, we will apply your payment to the balance in the specific order below. The way we apply payments can affect the amount of interest you will pay until the balance is cleared completely.

When a credit is paid into an overdrawn account we repay the overdrawn balance in the following order:

- 1st - The balance of Returned Transaction Fees or Guaranteed Transaction Fees or both
- 2nd - The remaining overdrawn balance.

The above only applies if your account is in an overdrawn position.

Dispute Resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

Openplan

This account forms part of your Openplan arrangement in accordance with your requirements.

As your balance is being offset to reduce the interest payable on your mortgage, it will not earn credit interest. Therefore, the interest rate shown on this statement will not apply.

Interest

Interest is calculated on the cleared balance of your account at the close of business every day. We'll let you know if interest is calculated on the statement balance rather than the cleared balance. The cleared balance includes only credits and debits that have cleared. Ask your branch or Local Business Team for details of clearance times and the dates when we pay or charge interest. If the interest earned on an account is subject to income tax, the entry on your statement will clearly show the amount of tax deducted. If the statement shows that we have applied interest to your account, we'll give you on request details of the rate(s) of interest used and a clear explanation of how the interest was calculated.

Interest rates for personal customers

The rates of interest shown are current at the time of printing this statement. They may have varied during the period of the statement. Unless otherwise stated, rates are quoted on a gross annual basis. Gross is the rate of interest payable before the deduction of income tax. Interest is payable gross to non-tax payers subject to the required certification. Details of Barclays interest rates for personal customers are available from branches or from Barclays Information Line FREE on 0800 400 100. Changes to interest rates are published in the national press.

Charges for using your debit card in the UK and abroad
