URGENT: TD Derivatives account

RE: TD Derivatives (ex-E*trade) account

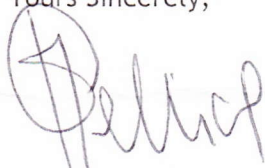

We are undergoing tax reporting due diligence on your account and have become aware that we do not have a copy of your ID or a proof of residency, which is required.

Could you please send a copy of your passport and a utility bill/bank statement (dated within the last six months) to UKSupport@saxomarkets.com as soon as possible in order to complete our reporting. Please be aware that this is extremely important.

Until we have the required documentation your account is at risk of being frozen, and could potentially be confiscated.

If you have any questions please contact the UK Support team on +44 (0) 207 151 2222.

Yours Sincerely,

Giles Helliar

Saxo Bank A/S
