If you have an interest only mortgage, you are strongly recommended to have a suitable repayment vehicle in place (such as an endowment policy, ISA, PEP or Personal Pension Plan) to repay the total amount borrowed. For your own benefit, you should ensure that you continue to make the agreed monthly payments to the policy/plan provider in order to ensure there is sufficient to repay your loan at the end of the agreed term. As the repayment of your loan will rely on the performance of your policy/plan, you should contact the provider if you are in any doubt that the final sum payable will not be sufficient to repay your loan. If this is Woolwich Life, there is no need to take specific action, other than to ensure that your premiums are up to date, as regular reviews on performance already take place.

Openplan Current Account Reserve (Overdraft)

One of the main features of your Openplan Offset is the ability to borrow additional money via your Current Account Reserve (to a maximum of 90% combined mortgage and additional borrowing), using your debit card or cheque book. This additional borrowing is available at the Openplan Offset rate and is an overdraft facility.

Loan Pots: If you want, you can arrange your new borrowing from your Openplan Current Account Reserve (overdraft) into different named 'Pots' to make your finances easier to manage. We can also set up a monthly standing order, to help you repay your borrowing in an organised way over a set period of time. You can vary these arrangements at any time by calling us on *0845 0700 360.

You can make payments to your Mortgage Reserve in the following ways:

By Post: send a cheque, with your name, address, and Current Account Reserve number clearly noted on the back to: The Woolwich, Openplan, Meridian House, Anchor Boulevard, Crossways Business Park, Dartford, Kent DA2 6QU.

By Hand: you can make payments at any Woolwich branch. Please have your Reserve Account number available.
