Interest Saved (£)

This Month	101.76
To Date	9.51

Interest Saved By offsetting your savings and/or current account balances, we have calculated how much interest you saved last month and since the start of your mortgage.

Please note that we calculate interest on the total amount you borrow which includes your Current Account Reserve (overdraft)

If your Current Account Reserve has exceeded your total credit balance, the amount of interest saved may appear as a minus figure

If you have a query regarding this information, please contact us on *0808 100 4477

Date: The net balance of your linked account(s) is offset against the Mortgage balance on a daily basis.

Mortgage Balance: This is the balance outstanding on your mortgage account at the close of each business day.

Linked Accounts: This is the combined net balance of your current account(s), savings account(s) and any 'Loan Pots' you may have set up. This amount is offset against your Mortgage balance each day to provide the balance upon which interest is charged. (If you have made use of your Mortgage Reserve (overdraft) and increased your total borrowing this figure may be negative).

Offset Balance: This is the amount which is offset against your Mortgage balance each day. (Interest is not payable where the combined savings and current account balance exceed the mortgage balance).

Offset Mortgage Rate: This is the rate used to calculate the daily interest charged on your Openplan Offset Mortgage account.

Offset Benefit: This is the amount of interest saved each day by offsetting. (If you have made use of your Mortgage Reserve (overdraft) and increased your total borrowing, but you have not increased your monthly repayment, this figure may be negative as interest is calculated on the total amount borrowed including your Mortgage Reserve).

Additional Information: Openplan Offset allows you the choice to offset against your monthly payment or your mortgage term. You can switch between these payment options by calling the Offset Helpline on *0808 100 4477. The minimum amount required to be paid to your mortgage before there is an increase in your Secured Overdraft is currently £2,000.00

Important Information

Please check and keep all statements for future reference.

Barclays Bank PLC subscribes to the Banking Code. Copies of the Code are available on request.

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE.

Written mortgage illustrations and quotations for other credit products are available on request. For mortgages a first charge over your property is required.

*Calls may be recorded and/or monitored for training and security purposes.

The figures shown on the statement state the balances in the account at the date of this statement. These figures may include items that might subsequently be returned. It assumes that all items shown have been correctly posted to your account. If you do not agree with the mortgage account balance please call us on *0808 100 4477, for all other balance enquiries please call *08457 555555.

This statement is not a statement for the purposes of section 352 of the Income and Corporation Taxes Act 1988.

If you have an interest only mortgage, you are strongly recommended to have a suitable repayment vehicle in place (such as an endowment policy, ISA, PEP or Personal Pension Plan) to repay the total amount borrowed. For your own benefit, you should ensure that you continue to make the agreed monthly payments to the policy/plan provider in order to ensure there is sufficient to repay your loan at the end of the agreed term. As the repayment of your loan will rely on the performance of your policy/plan, you should contact the provider if you are in any doubt that the final sum payable will not be sufficient to repay your loan. If this is Woolwich Life, there is no need to take specific action, other than to ensure that your premiums are up to date, as regular reviews on performance already take place.

Mortgage Current Account Reserve (Overdraft)

One of the main features of your Openplan Offset is the ability to borrow additional money via your Mortgage Current Account Reserve (to a maximum of 90% combined mortgage and additional borrowing), using your debit card or cheque book. This additional borrowing is available at the Openplan Offset rate and is an overdraft facility.

Loan Pots: If you want, you can arrange your new borrowing from your Mortgage Current Account Reserve (overdraft) into different named 'Pots' to make your finances easier to manage. We can also set up a monthly standing order, to help you repay your borrowing in an organised way over a set period of time. You can vary these arrangements at any time by calling us on *0808 100 4477.

You can make payments to your Mortgage Current Account in the following ways:

By Post: send a cheque, with your name, address, and Mortgage Current Account number clearly noted on the back to: Mortgage Loan Services, PO Box 8575 Leicester, LE18 9AW.

By Hand: you can make payments at any Barclays branch. Please have your Mortgage Current Account number available.

By Standing Order: If you wish to make a regular monthly payment to your Mortgage Current Account then you can set up a standing order. For a standing order form, please call us on *08457 555555 or visit your local Barclays branch.

Additional Information
