Policy No: 71482774

19th November 2015

Dear Mr Lisewski,

Motor Insurance Policy Number: 71482774

We refer to the above policy, where our records show that payment on the policy remains outstanding.

As advised in previous correspondence, you are in breach of the terms of the fixed sum credit agreement. If we do not receive payment of the outstanding your insurance cover will end at 00:01 on 02/12/15. All documentation from us will then become invalid.

If you are a resident of Northern Ireland, Isle of Man or the Channel Islands you must return the Certificate of Motor Insurance to us.

However, if you wish for your policy to continue please contact us before the cancellation date to arrange payment. Our Payment Teams telephone number and opening hours are shown above.

We wish to remind you that it is an offence under the Road Traffic Act to use or let a vehicle stand on a road without possession of a valid Certificate of Insurance.

Yours sincerely,

James Payne  
South West Sales & Service Cluster Director
