To the employee: keep this certificate in a safe place as you will need it if you fill in a Tax Return. You will also need it to make a claim to tax credits or renew your claim. It also helps you check that your employer is using the correct National Insurance number and deducting the right rate of National Insurance contributions. By law you are required to tell HM Revenue & Customs about any income that is not fully taxed, even if you are not sent a Tax Return.
