### How we charge for calls from a BT line

We calculate the duration of each call to a second\* Summarised and itemised calls are calculated in the same way.

\*Minimum call charge, where applicable, is 4.2p (ex VAT).

This does not apply to BT Together calls charged at zero pence per minute or at a fixed price for the first hour. For each type of call different rates apply depending on the time of day and the day of the week:

- daytime: 6am to 6pm Mon to Fri
- evenings/night-time: before 6am after 6pm Mon to Fri
- weekend: midnight Fri to midnight Sun.

To calculate the cost of individual calls:

- 1 identify day, time and type of call to determine call rate **for your option**
  - 2 multiply call rate by duration of call
  - 3 round call cost up to a tenth of a penny (see Price List for specific rules).
  - 4 add the VAT.
- For full itemisation of calls you should view your bill online at [www.bt.com](http://www.bt.com)

We aim to give you an excellent service and our Code of Practice (see our Phone Book or our website at [www.bt.com](http://www.bt.com)) sets out full details of what you can expect from BT.

**If you have a complaint** please tell us by ringing **0800 800 150** (a free call). We will agree a way forward with you and review the matter twice at a management level if you are unhappy with our response. Simply ask us to do so if you are not satisfied.

If after this you remain dissatisfied you can ask our Complaint Review Service to investigate. This is a specialist, independent, team that will work closely with you to find a solution to any outstanding problems. If you are unhappy with the final outcome, please contact Otelo - the Office of Telecommunications Ombudsman. Before doing so you must have given us the opportunity to resolve the matter as outlined above, and have a letter from us confirming that we have been unable to reach agreement. You can contact Otelo on **0845 0501614** (local rate).

You can contact Ofcom on **0845 456 3000** or [www.ofcom.org.uk](http://www.ofcom.org.uk) if your complaint has not been resolved by us, or by Otelo.

If you have a complaint about premium rate calls (these are numbers which start '09' and are usually information, entertainment or TV games), please contact ICSTIS.
