How we charge for calls from a BT line

We calculate the duration of each call to a second*. Summarised and itemised calls are calculated in the same way.

*Minimum call charge, where applicable, is 4.2p (exc VAT).

This does not apply to BT Together calls charged at zero pence per minute or at a fixed price for the first hour. For each type of call different rates apply depending on the time of day and the day of the week:

- daytime: 6am to 6pm Mon to Fri
- evenings/night-time: before 6am after 6pm Mon to Fri
- weekend: midnight Fri to midnight Sun

For further information on types of call, their prices and rounding rules, please refer to our Price List at www.bt.com/pricing

For full itemisation of your calls you should view your bill online at www.bt.com. If you require a copy of your bill, or request calls to be itemised after the bill is produced, an administration charge will be made. Information relating to your account can be found free at www.bt.com
